CABERNET SAUVIGNON 2021

Y Series is a collection of iconic classics and exciting new varietals. Each wine is authentically crafted with fruit from South Australia's most celebrated wine regions. At Yalumba, we believe that one good wine leads to another. Y Series was created with that belief in mind. We look forward to sharing our love of wine with you as you explore the Y Series.

VINTAGE CONDITIONS

Vintage 2021 has produced Cabernet Sauvignon grapes of balance, style and exceptional varietal characteristics. Good late winter and spring rains enabled the vines to grow healthy canopies. Few windy days and moderate temperatures during flowering provided an ideal environment for fruit set. Summer was mild with below average temperatures and cool nights, great for the development of pristine aromatics and flavours.

TASTING NOTES

Sumptuous and fruity with aromas and flavours of blackcurrant, mint, toffee and sea spray. The palate is full of varietal fruit character and soft textures with a rich mouthfeel. Y Series Cabernet Sauvignon is a generous and friendly wine that shows why this varietal is one of the world's best-known and enjoyed varieties.

FOOD PAIRING

A beef cheeseburger or portobello mushroom burger with caramelised onions are our favourite ways to enjoy this wine.
