

ANTERRA

Merlot TERRE SICILIANE IGT

PRODUCTION AREA

Estate Merlot cultivated with fully integrated sustainable agricultural techniques. This grape naturally prefers drained terrains with partial sun exposure. It seems to have found good grounds in our hillside vineyards in Sambuca di Sicilia, in the province of Agrigento, where the delicate and fragrant notes of its fragile bouquet found proper protection.

CHARACTERISTICS

Color: It features a ruby red color.

Bouquet: Intense fragrance with fruity hints of red cherries and wild berries.

Flavor: The palate is dry and complex, enriched by pleasantly light tannins.

PAIRINGS

Versatile complement to most foods, especially roast pork, pork loin, red meats, flavorful soups like borsch, dishes featuring garlic and mushroom, mild to aged cheeses including Gorgonzola or Cheddar.

BOTTLE DIMENSIONS

Bottle size in cm	7,5 x 30,5 h
Bottle weight in grams (empty)	420
Bottle weight in kg (full)	1,2

LOGISTIC DETAILS

Bottle per case	12
Ean bottle	'813297000031
Ean case	'10813297000038
Case size in cm	32,2x23,9x31,1 cm
Case weight in kg (full)	14,4
Pallet configuration (standard)	SS 14*5 Epal 12*5

ANALYTICAL INFORMATION

Alcohol	12,5 %
Acidity	5,0 g/L
Residual sugars (g/L)	7,0 g/L
Serving temperature	16-18°C 61-64°F
