

ANTERRA

Moscato

TERRE SICILIANE IGT

PRODUCTION AREA

Moscato is a varietal that grows particularly well in Sicily. Its cultivation here dates back to the Ancient Romans and Greeks. Here the rich soils and the warm climate enhance its aromatic bouquet. While preserving its uniquely elegant character. We process grapes uniquely with soft pressing in order to preserve this Moscato's incredible features.

CHARACTERISTICS

Color: Vibrant light yellow.

Bouquet: It features notes of ripe apricot, peach and cantaloupe with a gentle touch of passion fruit.

Flavor: The flavor profile is sweet and fruity, balanced with a gentle acidity and a soft texture making you want to reach for the next glass.

PAIRINGS

Excellent with Panettone or Pandoro, cookies, sweet creamy desserts, fruitcakes.
