

MALA VIDA

AND YOU..., WHAT KIND OF LIFE ARE YOU LEADING?

D.O.P. VALENCIA

RED WINE

VARIETIES

Monastrell, Garnacha Tintorera.

VINEYARDS AND SOIL

Over 30-year-old vineyards. Cultivated on chalky clay soils, strictly on dry land. Due to the scarcity of water these vineyards have a low production but very high quality. These climatic characteristics give the grape varieties a strong personality.

AGEING

8 months in new French oak barrels.

WINEMAKER'S TASTING NOTES

Intense cherry red colour. Complex and elegant, with ripe red fruit aromas reminiscent of compote. Pleasant and silky on the palate. Bright and clean in the glass, with a dense tear.

PAIRING SUGGESTIONS

Mala Vida Limited Edition has a very different, innovative and unique production. A 100% Mediterranean wine that marries perfectly with tasty, spicy, but balanced food. Juicy meats and fish, mild stews, pasta or rice dishes. Preferred drinking temperature, 12 and 16°C degree.
