

CORAÇÃO OBRA PRIMA

D.O.C. GRANDE ESCOLHA VINHO VERDE

Wine History

These grapes come from vineyards conducted in simple cord, with an average age of 15 years. Careful winemaking is used in order to extract the maximum qualitative potential and preserve the primary aromas. After completing the winemaking process, the wine is kept in vats, to be subsequently stabilized and bottled.

Tasting Notes

It presents a citrus color and the aroma reveals a perfect harmony between the floral notes of Loureiro and the citrus notes of Trajadura and Arinto. The presence of carbon dioxide, even if light, makes it a young, light and refreshing wine. It is a wine with unique characteristics that make it a versatile wine adjustable to various moments of leisure and social events.
