

LAGREIN ROSATO

Trentino DOC

This typical vine of Trentino has found its favourable climatic conditions on the hills surrounding the Piana Rotaliana. The particular vinification gives a fresh wine, with vibrant acidity.

PRODUCTION AREA

Mezzacorona cultivates this variety in Trentino, in the Piana Rotaliana and on the hills surrounding it.

VINIFICATION

Vinification with a light pre-fermentation maceration on the skins and a temperature controlled fermentation at around 18°C/64,5°F.

CHARACTERISTICS

Wine with brilliant rose color with lightly purplish shadings. It presents a fresh fruit perfume, with notes of cherry, sour black cherry and raspberry, with hints of berries and red plums. Dry, fresh, fragrant, with vibrant acidity and citrus hints, a long, elegant and savoury aftertaste.

ALCOHOL CONTENT

12%

PAIRINGS

Perfect as an aperitif, ideal with appetizers, light first courses dishes and white meats.

SERVING TEMPERATURE

10-12°C
