VIVIDOR

LIVING LIFE TO THE FULL!

D.O.P. UTIEL REQUENA

RED WINE

VARIETIES

100% Bobal.

VINEYARDS AND SOIL

Clay soils situated to the west of the province of Valencia at a height of 700m. The vineyards grow in a continental (inland) climate but very influenced the Mediterranean climate.

OAK BARRELS

4 months in american and french oak barrels.

WINEMAKER'S TASTING NOTES

Vividor has a intense garnet red colour with aromas of fresh red fruit (berries) and floral and balsamic notes. On the palate, it is ample and is a very well-structured wine with plenty of volume. The union of fruit and wood envelopes the mouth producing a long and pleasant finish.

PAIRING SUGGESTIONS

Vividor is a difficult temptation to resist. Enjoy it in your relaxed moments or with tapas and red meat dishes. Bobal is one of the richest grapes in Resveratrol, an antioxidant and cardio-healthy polyphenol, which helps to metabolize fats. Best served between 12° o 15°C.

TECHNICAL DATA PALLET

13,5 % Vol. Alc.
AT 5,3 g/L
AR <4
pH 3,61

750 ml. glass bottle.
